

Project Design Phase-II

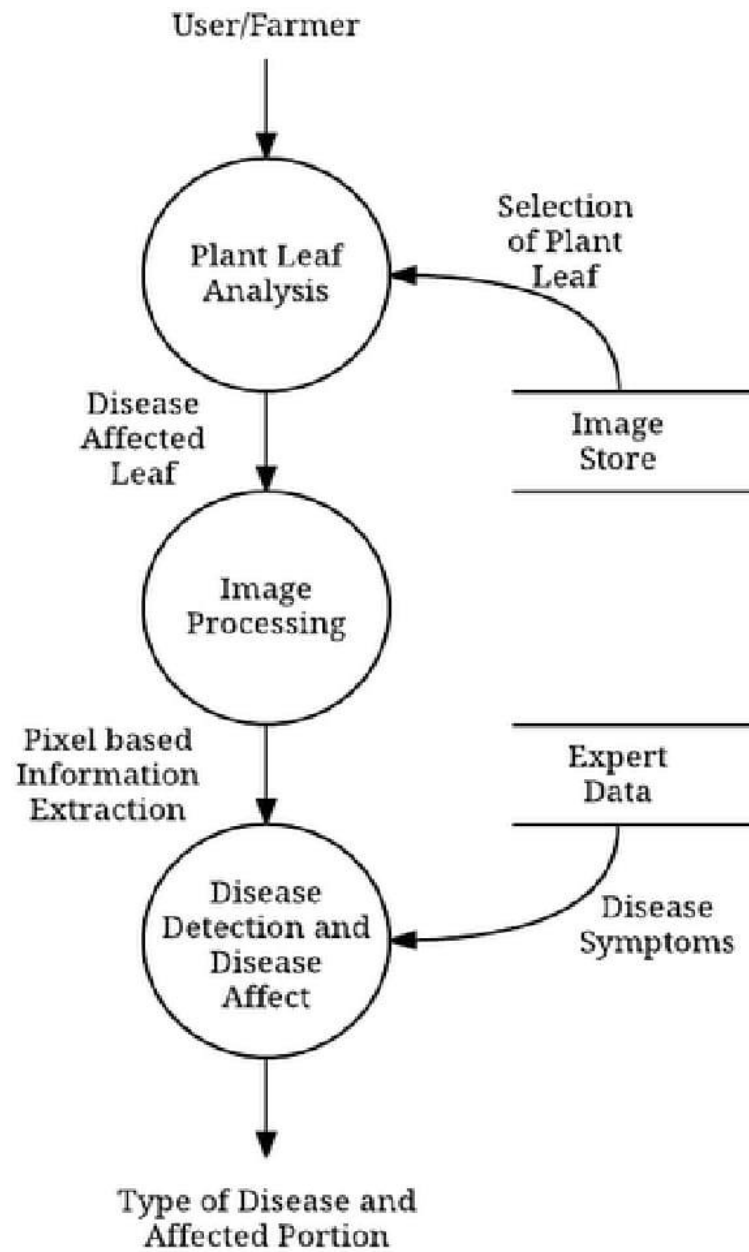

Data Flow Diagram & User Stories

Date	24may2023
Team ID	Nm2023tmid17750
Project Name	Deep learning model for detecting diseases in tea leaves

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

Example: [\(Simplified\)](#)

User Stories

Use the below template to list all the user stories for the product.
